*Updated From 1 July 2023
With New Products

Our **Vision** Our **Pledge**

Our company objective is to become a leading manufacturer and irreplaceable partner for HAND TOOLS in Indian Market and ultimately establish our name globally.

Our **Mission** Our **Ambition**

- ▶ We continually make efforts on Identifying the current market trends and strive to meet present and future marketplace requirements.
- ▶ We work closely with our customers to determine their needs and how we can best meet them.
- ▶ We at TOOL 'N' HARDWARE take pride in quality of our products. Quality is the driving force and key to achieve our ambition.
- ▶ Create awareness amongst the workforce as well as community regarding safety at workplace.
- ▶ Strive to provide best quality, cost effective products and services.
- ▶ Provide training and consulting services to create a well-informed and trained workforce in order to enable us to establish a culture of health and safety around us.

Core **Values**

- ▶ Culture influences the way we feel, act, think and make our decisions.
- ▶ We are committed to conducting all of our business with the highest degree of integrity and Honesty between our employees, customers and the society.
- ▶ We engage in constant research and development to make our products safer, user-friendly and more comfortable for the end users.
- ▶ Our people are capable, loyal and dedicated to the success of the business and safety of our community.

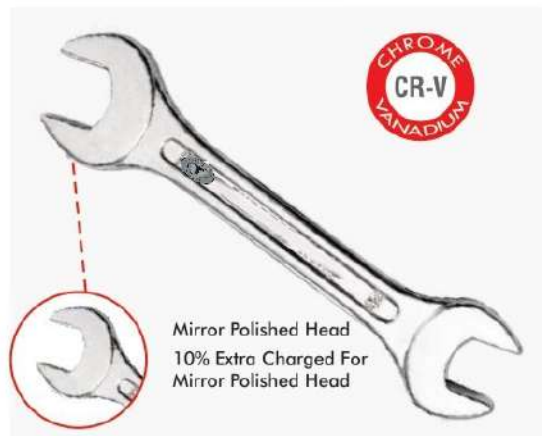

TOOL 'N' HARDWARE

1. (A) DOUBLE OPEN END SPANNER

HSN 8204

Product Code **12**

Finish : CP (Chrome Plated) ■ Forged, Chrome Vanadium Steel
Extra Long Length for Extra Leverage ■ Each Head set at 15° Angle

1.(C) DOUBLE OPEN END SPANNER (RIBBED)

HSN 8204

DIN 895

- German Type Engineer's Spanner With a raised collar around the open end.
- Forged, Chrome Vanadium Steel
- Each Head set at 15° Angle
- Product is based on IS 2028-2004
